

Changes to Hearing Aid Repair Sessions

We are making improvements to the way we offer appointments for hearing aid repairs and servicing.

From **1st April 2018** you will need to book an appointment if you require your hearing aid to be repaired or serviced.

We have made the change because the current system of drop-in clinics has meant that some patients have regrettably had to wait for longer periods of time.

How will the new system work?

We have already started to offer booked appointments and will start gradually phasing out our drop-in clinics, with a view to stopping them from 1st April 2018.

Where will I be seen?

Appointments will be available at various clinics across Wirral including Arrowe Park Hospital.

How do I book an appointment?

To book a hearing aid repair appointment, please contact the Audiology Department on **0151 604 7113**.

Further information

If you would like more information about this change, contact the Audiology Department on **0151 604 7113** or email wih-tr.Audiology@nhs.net.
