# Bereavement Support Service

Registered Charity Number 1034510

Age UK Wirral have launched a new Service to support people over the age of 18 who have experienced bereavement during the COVID 19 Crisis.

The Bereavement Support Service will offer individuals practical & emotional support to any adult living in the Borough of Wirral.

Once a referral is received a bereavement support worker will call you to discuss what support is needed and will work with you and your family at a Pace that is suitable

## What Services are available?

**We can offer Practical help and advice on**

- Information and guidance following a bereavement and signposting to other specialist agencies who can help.
- Practical help and assistance.
- Improve Health and Wellbeing
- Ensure that health and other services understand your needs.
- Support to help you make informed decisions about your life, ensure you understand your rights and ensure you are treated fairly though this difficult time
