The BMJ

The latest news and views, research papers and clinical reviews from *The BMJ*.

-  **Practice** | Covid-19 and cardiovascular disease
-  **Research** | Age dependent associations of risk factors with heart failure
-  **Clinical Review** | Screening and management of atrial fibrillation in primary care

BMJ Opinion

Comment and opinion from The BMJ's international community of readers, authors and editors

-  The NICE draft guidelines for the management of atrial fibrillation need key revisions
-  Clare Taylor: For people with heart failure, covid-19 presents a challenge
-  Heart failure is not the immediate death sentence that the term implies, but we need to do a lot better

BMJ Talk Medicine Podcasts

The latest podcasts from *The BMJ* and specialist journals.

Heart podcast

-  Remote monitoring of heart failure - what are the possibilities?
-  Diet after a heart attack - what should we tell patients?

BMJ Best Practice podcast

-  Atrial fibrillation
-  Hypertension

British Journal of Sports Medicine podcast

-  An A-Z of Sports Cardiology
-  Cardiac abnormalities and participating in sport-is is safe?
