

# NHS Accredited Diabetic Eye Screening Locations

Please make an appointment at one of these accredited screening sites for your **FREE Diabetic retinopathy screening test**

You may still wish to attend your regular optician when you are due your routine sight test, **but ONLY these opticians listed below are accredited to the NHS Wirral Diabetic Eye screening programme.**

**Remember when you attend your appointment:**

•do not drive to your screening test, as the drops can make your vision blurred for up to 6 hours;

If your chosen location has **no appointments available within the next six weeks**, then please call the screening programme on 0151 604 7369
