

Date: 27th November 2025

Last chance to join the Gingerbread House competition

There is just one day left to sign up for this year's Gingerbread House competition, with entries closing tomorrow, Friday 28th November. If your team would like to take part, please complete the opt in form using the link below.

This festive favourite is back and bigger than ever, with WUTH and WCHC running two competitions across both organisations. All completed WUTH houses will go on display in the main entrance at Arrowe Park Hospital, where patients, visitors and staff will be able to enjoy them throughout December.

To keep things fair, each department can enter one house and places are allocated on a first come, first served basis. Gingerbread houses will be delivered to participating areas on 2nd December, and all teams will receive a full information pack with everything they need to get started.

We would like to thank David Wilson Homes for kindly sponsoring the competition for the third year running. Festive prizes will also be awarded to the entries that stand out the most.

If your team has not yet signed up, there is still time to get involved before the deadline.
