

Date: 27th November 2025

Reduced Service at Firtrees Restaurant This Friday

Firtrees Restaurant will be operating a reduced service tomorrow, Friday 28th November 2025.

Staff and visitors are advised that the usual hot food service will not be available on this date.

For breakfast, the restaurant will offer toast, cereals and a full range of hot beverages.

At lunchtime, a simplified but varied selection will be available, including sandwiches, paninis, salads, jacket potatoes, crisps, cakes, yoghurts and chocolate bars.

We apologise for any inconvenience this may cause and thank colleagues for their understanding and patience while the reduced service is in place.

If there are any further changes, these will be communicated as soon as possible.
