Welcoming Our Newly Appointed Chaplains

We are delighted to welcome three new members to our Chaplaincy team. Rev Neal Stanton and Rev Tony Maude have joined us and are pictured here alongside our Trust Lead Chaplain, Rev Malcolm Cowan. We also warmly welcome Fr Robert Dykes, who has recently joined the team (not pictured).

Our strengthened Chaplaincy team enhances the spiritual, emotional and pastoral support available across WUTH.

With these appointments, we are now able to provide 24-hour Chaplaincy support for patients, ensuring compassionate care is available whenever it is needed.

Out-of-hours support is available for patients receiving End of Life care, offering comfort and reassurance to individuals and their families.

Our chaplains provide a calm, supportive presence for patients, families and staff of all faiths and none.

You can contact the Chaplaincy team on Ext. 2275 during working hours, and via switchboard outside these times.

We warmly welcome Neal, Tony and Robert to the Trust and look forward to the meaningful support they will continue to provide to our hospital community.
