There is still time to recognise the exceptional contribution of our Portering, Cleaning and Auditing colleagues by submitting a nomination for the National MyPorter Awards or MyCleaning Awards 2026.

Nominations close on Wednesday 31st December.

These national awards, held in association with NHS England, celebrate the individuals and teams who work tirelessly behind the scenes to keep hospitals running safely and efficiently.

With 12 award categories, it is a fantastic opportunity to highlight the dedication and professionalism of colleagues across WUTH.
