Celebrate WUTH Charity's Big Christmas Day - Wednesday 17th December

WUTH Charity is delighted to invite all colleagues to join us for a day of festive celebration on Wednesday 17th December as we bring Christmas cheer to our hospitals.

This year's Wear Something Festive Day encourages everyone to get involved by adding a touch of seasonal sparkle to their workday. Whether you go bold and bright or keep it subtle, we would love to see your festive outfits. Staff can also enter our popular selfie competition, with a photo booth available at Arrowe Park Hospital to make capturing the moment even easier.

At 1pm, we are pleased to welcome the Sing Me Merseyside Choir, who will be performing in the main entrance and filling the hospital with uplifting Christmas music. There will also be a Christmas book and gift stall, perfect for picking up a last-minute present or treating yourself during a busy period.

All donations made on the day are warmly appreciated and will help WUTH Charity enhance care and support for patients, families and staff across Arrowe Park and Clatterbridge Hospitals.

If you would like more information, please contact the WUTH Charity Team at wuth.charity@nhs.net.
