Gemma Collins, OPAT and IV Access Admin Support

Shout out to Gemma Collins, our OPAT and IV Access Admin Support. We would be completely lost without her ongoing daily input, and truly believe everyone needs a Gemma in their team. Gemma provides outstanding support with IT and technology, manages our activity and calendars day in and day out, and is often the first point of contact for both patients and staff. She consistently goes the extra mile with care and compassion, always delivering high standards and living the Trust's core values. We simply could not function without her. Thank you, Gemma, for everything you do.

John Nicholls, Senior Physiotherapist

A big thank you to John Nicholls, Physiotherapist, for taking time out of his busy outpatient clinics to speak with the ESD Speech and Language Therapy team and their students. We learned a great deal about facial muscle rehabilitation and were reminded of the real benefits of more integrated working when supporting rehab patients. Thank you again, John, for sharing your expertise and for supporting learning and collaboration across teams.

Carol Jones, Apprentice Clinical Nursing Support Worker

A huge thank you to Carol Jones for looking after me when I came to support the patients on ED corridors. You not only supported me but also delivered consistently outstanding care and compassion throughout a very busy day. Thank you for everything you do and for the difference you make for both patients and colleagues.

Rachel Cobon, Communications and Engagement Specialist

Shout out to Rachel Cobon for always being so helpful, approachable, and supportive. Rachel consistently goes above and beyond, and her dedication and positive attitude make a real difference. Thank you, Rachel.

Paula Bennett, HCP

Shout out to Paula Bennett, HCP, for her continued support and for always going above and beyond. Your hard work and dedication are truly appreciated. Keep up the great work.

Donna White and Sandra Slaven, CSWs, Radiology
