Ward M2 Orthopaedic

I was recently an inpatient and received the best care possible throughout my stay. Every member of staff, from healthcare cleaning professionals, physiotherapists, occupational therapists, and nurses to Mike the Advanced Nurse Practitioner, was fantastic and helped make my stay as comfortable as possible. What a great team. Thank you all for looking after me so well.

Domestic Team

We would like to give a massive shout out to our incredible Domestic Team. Last night, the team went above and beyond to support patient flow across the hospital by ensuring the rapid cleaning and turnaround of ward bays and side rooms. Every healthcare cleaning professional, supervisor, and manager on site, along with those who came in from home to help, demonstrated outstanding dedication, teamwork, and flexibility to keep our wards safe and ready for patients. Your hard work truly does not go unnoticed. You make a vital difference to patient care and safety every single day. Thank you for your commitment, professionalism, and determination. We are incredibly proud of you all.

Michelle Webster, Dr Pinder's Secretary, Stroke Rehabilitation Unit, Clatterbridge

Michelle was so kind when I was hot desking in the unit. She asked me if there was anything I needed and even made me a coffee in her special mug! Thank you Michelle, you showed true WUTH values.

Steph shows exceptional empathy and compassion in her role, particularly when supporting vulnerable patients and those in need. Her caring nature and genuine concern do not go unnoticed and truly demonstrate how well suited she is to her role. Steph is a real asset to the ward, and she should be very proud of the difference she makes.
