### **National Apprenticeship Week 2026 at WUTH**

This week is [\*\*National Apprenticeship Week\*\*](#) and we're proud to be celebrating the value of apprenticeships and the opportunities they create for learning, development and career progression across the Trust.

Our Learning and Vocational Development Team has created a packed programme of events throughout the week, with a mix of face to face and online sessions designed to showcase the wide range of apprenticeship pathways available at WUTH. These sessions are open to staff from all roles and backgrounds, whether you are considering an apprenticeship for the first time or looking to build on existing skills.

The full calendar of National Apprenticeship Week events is [\*\*available on the intranet\*\*](#).

All colleagues are encouraged to take part, learn more and consider how apprenticeships could support their next step at WUTH.
