Arrowe Park Road Consultation - Have Your Say

Arrowe Park Road provides access to Arrowe Park Hospital, Warrens Medical Centre and Arrowe Country Park. It is an important route for patients, staff and visitors travelling to medical, employment and leisure facilities.

To help ensure everyone can reach these destinations safely and easily, the road has been identified for review to explore whether improvements could be made.

An initial proposal was developed in 2022 but did not progress.

Wirral Council has now secured funding from Active Travel England to revisit the area and work with local people to consider ideas for future improvements.

If you would like to share your views, PLACED will be holding a drop-in session in the main reception at Arrowe Park Hospital on Monday 2nd March from 10am to 12pm.

You can also take part [online via the consultation website](#).
