Module 1 – Introduction (5 minutes)

Target audience – All staff

A short induction video giving a basic understanding of who the Armed Forces community are and why identifying them matters. [Module 1 Intro Video 5 mins](#)

Module 2 – Leadership Overview (15–20 minutes)

Target audience – Managers & Clinical Leads

A brief session for senior staff explaining responsibilities under the Armed Forces Covenant and how services can embed AF-aware practice.

Module 3 – Workforce Module (30 minutes)

Target audience – Frontline staff in patient-facing roles

A practical session for all staff, especially those in patient-facing roles, covering identification, barriers, support pathways and good practice. Although designed originally for frontline staff, the programme will be offered to all staff groups regardless of work area, to support a whole-system approach.
