Preceptorship Drop in for newly qualified colleagues

Are you a newly qualified member of staff currently completing your preceptorship?

Your preceptorship is an important opportunity to build confidence and develop your skills and competence as you move from being a student to a registered professional. Support during this transition is also important for your wellbeing.

If you have any queries about your preceptorship, including the competencies, framework or the pastoral support available, please come along to our Preceptorship Drop in.

- **Date:** Wednesday 25th March 2026
- **Time:** 10.30am to 12pm
- **Location:** Room 4, Education Centre, Arrowe Park Hospital

If you are unable to attend the session but would like advice relating to your preceptorship, please contact Michelle Morgan, Preceptorship Pastoral Lead, at michelle.morgan19@nhs.net or Ext. 6939.
