WUTH Charity with upcoming events

There are two fantastic opportunities for colleagues to support WUTH Charity this April.

An Easter Knitwear Sale will take place on Wednesday 1st April, from 10.30am to 3pm at the main entrance of Arrowe Park Hospital. The sale will feature a range of handmade items, including blankets, baby clothes and seasonal pieces, all lovingly created by local community knitters. It is a great chance to pick up something special while supporting a good cause.

Tickets are also still available for [The Give Back Bands](#), taking place on Saturday 18th April at Future Yard in Birkenhead. This promises to be a fun evening of live music, with local bands performing songs from the 70s through to the present day.

All proceeds from the event will go towards supporting stroke and cancer services through WUTH Charity.

Colleagues are encouraged to come along, show their support and help make a difference to patients and families across our hospitals.
