

**Date: 9<sup>th</sup> April 2026**

**Planned generator test on Sunday 12th April**

A generator test is scheduled to take place on Sunday 12<sup>th</sup> April at 7am, following completion of final repair works.

The test will affect areas served by T3, in line with a standard generator test.

The following areas will be impacted:

- Mortuary
- Decontamination and Seal
- Fractures
- Central Stores
- Clinical Skills
- Pathology

Colleagues working in these areas are asked to be aware and plan accordingly.

Thank you for your cooperation.
