

Date: 16th April 2026

Fire Warden training sessions available

As part of our ongoing commitment to maintaining high fire safety standards, Fire Warden training sessions continue to be delivered across the Trust.

To remain compliant, all departments must have a minimum of one Fire Warden on duty per shift, each day.

Places are still available on the following sessions, all taking place from 10am to 12pm at the Arrowe Park Estates Compound:

- Thursday 14th May 2026
- Thursday 4th June 2026
- Thursday 16th July 2026
- Thursday 13th August 2026
- Thursday 15th October 2026

Places are limited to 12 candidates per session.

To book a place, please email laura.griffiths34@nhs.net.

Thank you to all colleagues for supporting fire safety across our sites.
