Nominate your Improvement Champion

Colleagues across our hospital and community continue to show incredible commitment to improvement, finding better ways to work, enhancing patient safety and making a real difference every day.

We want to recognise these efforts by inviting you to nominate an Improvement Champion from your area.

If you know someone who has driven a meaningful improvement between 1st April 2025 and 31st March 2026, we would love to hear about them. This could be a small change that has made a big impact, or a larger initiative that has improved services or outcomes.

The nomination process is quick and easy, taking just a few minutes to complete.
