

Date: 23rd April 2026

QSIR Fundamentals Training - places available

Colleagues are invited to attend QSIR Fundamentals Training on Thursday 4th June 2026 at St Catherine's Health Centre.

This one-day session provides a practical introduction to the Quality, Service Improvement and Redesign approach. It is designed for anyone looking to develop their skills in service improvement, whether new to the topic or building on existing knowledge.

The training will support you to identify problems, understand processes and implement meaningful changes within your area. You will also learn how to apply structured improvement methods, use tools such as process mapping and driver diagrams, and measure the impact of change.

QSIR Training

Wirral Community NHS Trust

improvement for all

Wirral University Teaching Hospital NHS Foundation Trust

The session is interactive and focused on real world application within teams and services.

Places are limited, so early booking is encouraged.

To register or find out more, please email the Improvement Team wuth.improvementteam@nhs.net (CC in your manager).
