Shout Outs - Thursday 30th April 2026

Please see the following shout outs that have come in about our amazing staff.

If you would like to give a 'shout out' to a colleague, please email wih-tr.communications@nhs.net with the subject 'Shout Out'.

Please include the surname and job title of the member of staff to be given a shout out. Make sure you have spelled their name correctly.

Please also remember that we have the fantastic WUTH eCards available for all staff to use and send cards to each other. The cards cover a range of situations including Thank You and Great Work. All PCs and laptops have this icon on the desktop to access eCards.

To find out more about eCards, please click below:

Estates, Capital and Contractor Teams

A huge shout-out to all the Estates, Capital and contractor teams involved in the major works carried out over the last three weekends in April. From large crane lifts and high-voltage cable jointing to the reconfiguration of Sterile Services, this has been a significant and complex programme of work involving a wide range of teams. The level of planning, coordination and delivery required to complete these projects, while minimising disruption to patients and staff, is no small feat. Your efforts to modernise and replace ageing infrastructure are making a real difference to the Trust. Thank you all for your hard work, commitment and teamwork.

Rachel Cobon, Communications Specialist

A big shout-out to Rachel from the Communications team. Rachel is always happy to help, and nothing is ever too much trouble. Her support in organising awareness materials and bringing new ideas to life is hugely appreciated. Thank you, Rachel, for your ongoing support and positivity.

Dr Nikki Stevenson, Chief Medical Officer

Shout-out to Nikki for her kindness and compassion. While supporting the Wirral Summit, Nikki took the time to help a gentleman who had become lost and wandered into the area. Despite having important responsibilities, she stopped to ask where he needed to be and helped guide him in the right direction. Her empathy and willingness to help really stood out, a great example of putting people first.

Cheyenne Opuene, Respiratory Support Nurse in the Wirral Integrated Respiratory Service

Shout-out to Cheyenne for consistently going above and beyond for our patients. We regularly hear how kind and compassionate she is, with patients sharing how truly cared for she makes them feel, feedback that speaks volumes. She's also a fantastic support to the team, always stepping in to help and offering support whenever it's needed. Our patients and our team are very lucky to have you, Cheyenne, thank you for everything you do.

Dr Natasha Hashim, Dermatology Consultant, Kevin and the rest of the Dermatology Nurses

Shout-out and a big thank you to Dr Natasha Hashim, Dermatology Consultant, for her kindness, care and patience. Also, a huge thank you to Kevin and the Dermatology nursing team, you are all truly amazing. The care and support you provide is greatly appreciated.
