**CMI Accredited Leadership & Management Apprenticeships now open –
final opportunity for fully funded places**

Colleagues currently working in roles with team leader or line management responsibilities are invited to explore the final opportunity to access fully funded CMI Accredited Leadership and Management Apprenticeships through the apprenticeship route.

Several apprenticeship standards will be defunded later this year, making this the final opportunity to undertake Leadership and Management Level 3 or Level 5 through this route.

Apprenticeships form part of the Harnessing Talent framework at WUTH and provide colleagues with the opportunity to remain in their current role while developing the knowledge, skills and behaviours needed to achieve a nationally recognised qualification.

Team Leader Level 3 - Pathway to Healthcare Leadership

Designed to build essential leadership capability within healthcare settings, this programme focuses on:

- Leading teams effectively
- Developing communication and people management skills
- Supporting wellbeing and managing workloads
- Building confidence to improve engagement and outcomes for patients and colleagues

Operations Manager Level 5 - Operations Leadership in Healthcare

Suitable for both experienced and first-time managers, this programme focuses on:

- Strengthening people management and operational leadership skills
- Planning and decision-making
- Leading teams through change
- Delivering meaningful service and team improvements

Insight sessions covering both apprenticeship levels will take place on:

- Insight Session One – 15th July, 12 noon until 1pm
- Insight Session Two – 28th July, 1.30pm until 2.30pm
- Application deadline: 7th August

**Wirral University
