Rachel Beazer, Operational Service Lead for Paediatrics

Shout out to the fantastic Rachel Beazer who recently completed her degree and graduated from Man Met. She's done an amazing job juggling her studies, family life and work, and really deserves an enormous shout out. We're all so proud of her – what a brilliant role model she is. As Operational Service Lead for Paediatrics, Rachel works across both WUTH and WCHC and shows such commitment and dedication in the role. Well done Rach, you're an absolute star.

All staff in Women and Children's Division

Thank you to all my colleagues (and now friends) at W&C Service for all your support and kindness during my short time working alongside you. Thank you for always showing me nothing but kindness, warmth, and support. Your commitment to the Division is inspiring and I will take away the fondest memories of working with you. It truly has been a privilege. Keep up all the amazing work and commitment you show to our patients, families and each other.

Alison Smith and the Ultrasound Booking Team

Can I give a massive shout to Alison Smith and the Ultrasound booking team, working tirelessly whilst still smiling. Sorting rota, slots and filling all appointments, whilst supporting the radiology switchboard. This team never complain, and are a phenomenal asset to Radiology.
