Support WUTH Charity and make a difference

Every donation, fundraising challenge and act of generosity helps WUTH Charity enhance patient care and improve the experience of patients, families and colleagues across Arrowe Park and Clatterbridge hospitals.

Thanks to the incredible support of staff, local communities and supporters, WUTH Charity has funded projects that go beyond what core NHS funding can provide. Most recently, thanks to the Tiny Stars Appeal, we were able to help refurbish the Neonatal Intensive Care Unit at Arrowe Park Hospital, creating enhanced family facilities and investing in new equipment to support the very best care for babies and their families.

There are many ways colleagues can support the charity, including:

- Taking part in one of the charity's fundraising events, including the Arrowe Park Abseil on Friday 18th September and the Wirral 10K BTR Road Race on Sunday 4 October
- Organising your own fundraising event
- Joining the [WUTH Charity lottery](#) or taking part in seasonal raffles
- Supporting the charity through in memory donations or leaving a gift in your Will
- Whether you raise £10 or £1,000, every contribution helps fund projects that make a lasting difference across our hospitals.

To find out more, sign up for an event or discuss your fundraising ideas, contact WUTH Charity by emailing wuth.charity@nhs.net or calling 0151 482 7788.
