Undergraduate Newsletter July 2026

The latest Undergraduate Newsletter is now available, featuring updates from the Senior Medical Education Team.

undergraduate | NEWS

This month's edition includes a thank you to colleagues who supported the recent University of Liverpool School of Medicine Quality Visit, details of the Education Supervisor Refresher Course taking place in October, feedback from Graduate Entry Medicine students following their placements at WUTH, and key Student Doctor placement dates for the 2026 to 2027 academic year.
