Ward 10

A special thank you to everyone on Ward 10, from the nursing staff and doctors to the Ward Manager, for the superb care given to my sister during her recent stay. She could not speak highly enough of the way she was looked after and the care she received from the whole team. Knowing she was in such caring and capable hands meant a great deal to us as a family. Thank you, Ward 10, for taking such good care of her and for making her experience such a positive one.
